Men's League Champ Flight (+-5.0)

Men's League Regular Flight (5.1 & up)

Sr. Men's League Flight

****Champ Flight:** This year we will be offering a new champ flight that will be playing the black tees all year. In order to play in the champ flight you must let whoever is working the proshop know that you want to play in the champ flight for that men's league day. Anyone is able to play in the champ flight, **However**, we only recommend playing in this flight if you played in the champ division in last year's Club Championship. Last year the handicap for champ flight was (+handicaps-5.0). If you do not fall under that category it is highly recommended to play in the regular flight from the blue tees.

If you have any questions about formats for tournaments please reach out to Preston Lucas, Tanner Johnson, or Weston Wheeler for more detail.

GHIN HANDICAP- We require everyone in the league to have an up to date handicap through the UGA. In order to sign up for the men's league you are required to have your number with you. If you would like to join without a handicap you are welcome to, but you will play as a 0 handicap until you get a GHIN. It is the player's responsibility to notify pro shop workers when you receive your GHIN number. Please make sure that your GHIN has been renewed for the year.

CHEATING- Anyone who has been accused of cheating or writing an incorrect score will play their next men's league round with an employee to verify their score. (Please note hitting the ball left of the white stakes on 6 off of their tee shot is out of bounds and the player needs to rehit their tee shot). Make sure that your ball is holed on every hole, if you pick up you receive a 9 for the hole. **(NO GIMMIES!)**

**If you are not receiving weekly results emails, please contact Preston Lucas, Tanner Johnson, or Weston Wheeler to make sure that we have the correct email under your name.
