****For men's league Saturday tournaments you are not able to request 4-somes. This will give you an opportunity to get to know other people in the league. During Saturday tournaments, we will be following USGA ruling which includes: pairing done by handicap, pace of play policies.**

If you have any questions about formats for tournaments please reach out to Weston Wheeler, or Andre Facholas for more detail.

GHIN HANDICAP- We require everyone in the league to have an up-to-date handicap through the UGA. In order to sign up for the men's league you are required to have your GHIN number with you. If you would like to join without a handicap, you are welcome to; however, you will play as a 0 handicap until you get a GHIN. It is the player's responsibility to notify pro shop workers when you receive your GHIN number. Please make sure that your GHIN has been renewed for the year.

CHEATING- Anyone who has been accused of cheating or writing an incorrect score will play their next men's league round with an employee to verify their score. (Please note: hitting the ball left of the white stakes on Glenmoor's Hole #6 off of their tee shot is out of bounds and the player needs to rehit their tee shot). Make sure that your ball is holed on every hole, if you pick up you receive a 9 for the hole. **(NO GIMMIES!)**

****If you are not receiving weekly results emails, please contact Weston Wheeler, or Andre Facholas to make sure that we have the correct email under your name.**
